TFI 1.10 Purpose & Outcomes

Purpose:
Prepare and plan for involving all stakeholders in decision-making and implementation

Outcomes:
1.10 Faculty Involvement: Faculty are shown school-wide data regularly and provide input on universal foundations (e.g., expectations, acknowledgements, definitions, consequences) at least every 12 months.

1.11 Student/Family/Community Involvement: Stakeholders (students, families, and community members) provide input on universal foundations (e.g., expectations, consequences, acknowledgements) at least every 12 months.
Definition

Open and honest communication is established among stakeholders to secure buy-in and commitment to change.
Faculty Involvement Involves at least 80% buy-in

Collectively, staff will:

- identify focus
- identify ways to monitor progress
- identify goals
- Identify ways to evaluate outcomes
- Identify how to engage resistant staff
Rationale

"Unless commitment is made, there are only promises and hopes ... but no plans."
(Peter Drucker)

...and implementation of PBIS involves all faculty and staff
What data will you share?

Self-Assessment Survey?
Informal surveys?
TFI results?
Climate Surveys?
Discipline Data?
Cost Benefit Analysis

Self-Assessment Survey (SAS)

TFI 1.10: Faculty Involvement &
TFI 1.11: Student, Family & Community Involvement
How and when will you share data?

- Share visuals with staff monthly
- What’s working?
- What needs more focus?
- Emphasize staff involvement
Input and Feedback: Communication and Feedback Loops

- Grade level/core/department meetings
- Vertical team meetings
- Staff/Faculty Meetings
- Google Docs, SharePoint, or other virtual sharing mechanisms
- Newsletters
- Professional development days
- Communities of Learners (shared learning)
Communication System

How will you engage staff in the implementation of PBIS?

Workbook: TFI 1.10, 1.11 Activity 1a
Input and Feedback: Create a Communication System

1. Sharing on-going information
2. Presenting data
3. Obtaining feedback from stakeholders
4. Reviewing goals and action plans
Communication System - Activity

Directions:

1. Starting with the facilitator, and moving clockwise, each person share out a time/opportunity your school could share important school data/PBIS information.
   ➢ (Think about what structure you have in place now and “outside” the box thinking of what may be opportunities you haven’t explored yet)

2. Recorder, document the team’s discussions.

3. Communicator, share out after the activity.

Workbook : 43 Activity 1b: Communication System
TFI 1.11: Student, Family, Community Involvement

Core Content: Definition, Rationale & Examples
Approach

“No matter what the demographics, students are more likely to earn higher grades and test scores, attend school regularly, have better social skills, graduate and go on to post-secondary education when schools and families partner”

Karen Mapp, Family Involvement Equals Student Success No Matter Background. August 10, 2006

Dual Capacity-Building Framework for Family-School Partnerships, USDOE download
Outcome...

• **Students, families, and community members** provide input on universal foundations (e.g., expectations, consequences, acknowledgements) on an ongoing basis

• **Families feel that their histories, interests, and experiences are embedded and visible throughout the school community**
Families and Students

• Encourage families to share information with the school about culture, background, children's talents and needs

• Participate in neighborhood meetings to help families understand schools and to help schools understand families (Based on a Best-Practice Model Created by Dr. Joyce Epstein and Adapted by Seattle Public Schools)

• Plan for data-informed decisions through feedback from families and students (e.g. formal and informal surveys, focus groups)

• Student engagement and leadership opportunities (e.g., student PBIS team, clubs)
Family Kick Off

• Letter to families
• PBIS overview
• Explanation of school expectations
• Explanation of acknowledgement system
• Brochure
• Back to school activities

(Didier, J. & Udry, V 2007  Unity West Elementary)

TFI 1.11: Student, Family & Community Involvement
Community-wide PBIS Implementation

Who is involved?

Community-wide Leadership team:

- Village hall
- Police Department
- Park District
- Community Center
- Parents
- Library
- Schools/District
- Chamber of Commerce
Community-wide PBIS Process

• Monthly Community-wide Leadership Team mtgs.

• Monthly Community-wide Coaches meetings

• Annual assessment of implementation

• Family/Community Forum(s)
